Daly City Volunteer Workers Enter Final Week Of 1944 War Fund Campaign

Mop-up operations are the major concern of the Daly City 1944 Red Cross War Fund workers, this week, as the March 31 deadline approaches with Daly City still several thousand dollars short of its \$8,000 quota. Mrs. Joseph Conlon, chairman of the women's division, urged that all who have given to the drive post the Red Cross stickers in a front window to save time and effort for themselves and for the volunteers. At the same time she urged last-minute contributors to mail donations to her at 462 Templeton avenue or to John Deglianton, business section chairman, at 6301 Mission street, or to leave them at the Daly City Water Works office, 75 Wellington avenue, with Miss Muriel Mooney.

Mrs. Conlon called attention to the splendid cooperation given the Daly City drive by the Daly City theatre with Henry Combe as manager. Collections were made during the performances, this week and last, adding a handsome sum to the local total. Special screen features added impetus to the appeal. Young ladies assisting Mrs. Conlon with the theatre collections were Alice Marchionni, Elisa Paradiso, Rosemary Sutherland, Lucille Shreve, Lorraine Sanders, and Jacqueline De Losa. The theatre's own ushers took up the collection on several evenings. Wednesday, March 29, was the last night of the theatre participation.

If everyone in Daly City had backed the drive with the zeal displayed by two young contributors the \$8,000 goal might have seemed more easily attained, Mrs. Conlon reported. She said that under her door, last week, was left an envelope with a dollar enclosed. It was from Gary Johnson. (Continued on Page 2)

Colma District At Half-Way Mark

Colma unincorporated had reached the \$1,500 mark in its 1944 Red Cross War Fund drive by Monday of this week, according to Mrs. M. Pauline Brown, chairman of the women's division. Not all of the workers had been heard from by that date, however, and it is anticipated that the late returns will bring the collections nearer the \$3,000 quota set by county headquarters for the district.

The Colma Red Cross Day, Saturday, March 25, was a decided success, according to Mrs. Brown, with 100 per cent cooperation all along the line. George Lagomarsino, School street, had generously lent his small truck and furniture. (Continued on Page 2)

Municipal League Will Meet April 6

Daly City organizations and individuals interested in seeing an emergency hospital constructed in this end of the county are invited to attend the next meeting of the Northern San Mateo County Municipal and Civic league to be held, Thursday evening, April 6, at South San Francisco city hall. This newly organized planning council for communities in northern San Mateo county has interested itself in the whole field of post-war projects, most immediate of which is the emergency hospital. The session will be called to order at 8 p. m. with representatives of more than a dozen cities and towns in attendance. Supervisor Tom Hickey and other county officials are expected at the April 6 meeting.

Tuesday morning, March 28, Arthur J. Bodien and Mayor A. J. Gaggero, Daly City, met with Dr. Charles C. Gans, county health director, to discuss the proposed emergency hospital. The meeting was held at the district health office, 7375 Mission street.

City Clerk To Mail Notices Of Election

Notices of the Daly City general municipal election, to be held, Tuesday, April 11, will be mailed in the next few days to the community's 4,087 registered voters, according to B. C. Ross, city clerk. The cards will tell each voter in which voting precinct he is listed and exactly where his polling place is located.

Two councilmen, a city clerk, and a city treasurer are to be elected, April 11. Polls will be open from 6 a. m. to 7 p. m.

Registration of local voters for the consolidated May presidential and August primary election will close Thursday, April 6. This election will be held, Tuesday, May 16. A number of registration deputies are available in Daly City and Colma, including Ross at the city hall, 75 Wellington avenue.

Students Will Have One Week Vacation

Children enrolled at Daly City public grammar and high schools will have week-long Easter vacation, next week. Pupils of Our Lady of Perpetual Help parochial school will have their spring vacation, April 5 to April 12.

Jefferson Union high school officials called to the public's attention, today, that no night school classes will meet during the week of April 2 and the pool and gymnasium will be closed.

Mt. Davidson's cross, familiar sight to Daly City residents, will shine this year for the first time since Easter, 1941. The lights on the cross will be lighted on the evening of April 1, the citizens committee announced, and on the night before Easter will shine all night.

Easter Memorial services will begin at 6:44 a. m., April 9, with a prelude by the San Francisco municipal band under the direction of Philip Sapiro. Chaplain Hugh M. Miller of the United States Coast Guard will preach the sermon at the sunrise service, which is non-sectarian.

News Of Police, Fire Departments

During the period, March 23 to 27, the Daly City Police and Fire departments had a number of incidents to handle which were beyond the usual routine.

At 12:10 a. m., March 23, officers investigated an auto-pedestrian accident at Templeton avenue and Mission street. John Jauch, Salinas, the pedestrian, was injured and had to be rushed to Mission Emergency hospital. Driver of the car which struck him was Peter Williams, 538 Vista Grande avenue.

Officer George Hopman took a report from Belli Service station, Mission and Market streets, at 9:40 a. m., March 23, that three sheets of gasoline stamps had been stolen from his station. The ration board was notified.

Officers Roland Petrocchi, August Benassini and Roy Beecher responded at 11:55 p. m., March 23, when an accident occurred on Junipero Serra boulevard about 474 feet north of School street. An auto in which Louis Kline Diggs, 1263 Geary street, San Francisco, and Frank Landry, 3085 Sacramento street, San Francisco, were riding collided with a Market Street railway bus, causing personal injury to four persons and property damage to the bus and auto. The injured were taken to Alemany Emergency hospital in the Company No. 1, D. C. F. D. truck by Dean Wood and Emil Bertelli. Those injured were Landry, Billie Wroten, Sam Peoples, and Eldridge Jackson.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Having completed "boot camp" at the Farragut, Idaho, Naval Training station, Peter Conci, 169 Parkview avenue, has been designated seaman second class and has begun further training. He was home on leave, this month, to visit his wife, Mary.

Mrs. Albert Ravera, 872 Brunswick street, has just received word that her husband, Albert Ravera, has been promoted to sergeant. He is with the U. S. Army Air Force at New Delhi, India, in the quartermaster corps. He received his training at Fort Warren, Wyoming.

Tommy Beeson, son of Mr. and Mrs. Tom Beeson, well-known former Daly City residents, entered the U. S. Navy, Monday of this week. A surprise farewell party was given for him, Sunday. He played with Jeff's "Indians of Rhythm."

Eddie Zugar, who is somewhere in the South Pacific after 5 months training at Camp Perry, Virginia, wrote a letter to his parents, Mr. and Mrs. Albert Zugar, 421 Vista Grande avenue, telling of a pleasant surprise he had when he reached his destination. He met Cornelius Davison, another Daly City boy, and they had a good chat about home.

Both boys are in the Navy's Seabees.

Private Wallace I. Stratford, 1075 Hanover street, Daly City, was a member of the 56th Medical Training Battalion quintet, basketball champions of the Medical Replacement Training center, Camp Berkeley, Texas.

Stratford was also a regular on the 56th diamond team, last summer, MRTC baseball champs.

John E. Klawin, Daly City, recently received his first promotion when he was advanced from private to private first class at Fort Mason, California, where he is attached to the Port Administration division.

Private First Class Klawin, who entered the Army, August 11, 1943, is the son of Mrs. Emily Johnson, 2378 Thirty-sixth street, Long Island, New York, and the husband of Mrs. Helen Klawin, 10 Sullivan street, Daly City.

Draft Board Gets Results Of Exams

Mrs. Isabelle Flynn, chief clerk at Daly City Draft Board No. 103 announces that her office has received reports on only a portion of the 91 registrants who took pre-induction physical examinations, Saturday, March 25.

Of those already passed and reported back to the local board the following were Daly City and Colma men: Army, Edward Allen Free, 439 Evergreen avenue; Navy, Bernard Dean Mielich, 100 Vista Grande avenue, John Michael Fitzgerald, 1032 Brunswick street, James David Jones, Colma, Elbi Paul Lanza, Colma, Jock Yan Chin, Colma, Raymond Louis Cabano, 46 Como street; Army (Limited Service), Vernon Bailey Rentele, 79 Los Banos avenue.

The physical examinations now given prior to induction insure acceptance by the armed forces. The branch of service the man is to be assigned to when called up is designated at the time of the pre-induction physical under the new setup.

The draft board here, which serves South San Francisco, Pedro Valley, Brisbane, and Sharp Park, as well as Daly City and Colma, has been instructed to line up another 146 registrants for pre-induction physicals, Saturday, April 22.

Monday evening, April 3, the board, composed of Fred A. Collins, Dr. J. C. McGovern, and Sergeant Otto Schramm, will meet with representatives of the USDA war board to consider the problems of farmers and the draft.

Tomorrow, March 31, nine men will entrain for Monterey for service with the U. S. Army and Tuesday, March 28, twenty registrants from this board entered the Navy.

Board Indicates Approval Of Victory Garden Water Rates For Summer Season

Firemen Begin Canvass For Benefit Projects

Last night, local firemen under the chairmanship of Al Sundstrom, began a house-to-house canvass of the community to secure donors for the San Mateo County Blood Bank. The pledge card reads, "I am willing to contribute a pint of my blood when called," and all local residents are urged to cooperate in the drive. Transportation to the blood bank will be furnished.

At the same time the firemen call on householders about the blood bank, they will present tickets for their Victory Bond dance to be held, Saturday evening, May 6, at Lovchen Gardens, Colma. The event, an annual social highlight for Daly City, serves to raise funds for the Widows' and Orphans' association of the Daly City Fire department.

Committees for the Victory Bond Dance will be announced shortly by Fire Chief Andrew P. Chesney. Johnny Dell's union orchestra is scheduled to play.

Coffee Goes Back To 5 Cents Per Cup

Highlighted by the reestablishment of the 5c cup of coffee, the restaurant rollback order covering 19 a la carte items and a club breakfast will go into effect in Daly City at 12:01 a. m., April 1, according to Miss Genevieve Blue, chief clerk for OPA Board No. 83-12-3. Copies of the order and simple forms for filing and registration have been sent to local eating establishments. Miss Blue observed that probably most Daly City restaurants would come under the B and C price schedules.

Prices which the individual restaurant may charge depend upon the classification in which it falls, and each establishment must post its classification in a prominent place. The local board will send a poster for this purpose after each restaurant has filed for its classification. In addition, each eating place will have to mark with an asterisk the prices of the food items which are contained on its menu and fall under the new restaurant price control chart. The menu must have clearly a n d plainly written on or attached, inserting its proper group letter and in quotes "our community prices for the basic food items marked with an asterisk are the prices set forth in Order No. 1 for group (whatever appropriate group is), established for the items specified. Our ceiling prices on other items are the highest prices charged during April 4-10, 1943."

The OPA selected for a yardstick of restaurant pricing practice, ham and eggs, the American cheese sandwich, and the ham sandwich.

The local OPA office is located at 470 Grand avenue, South San Francisco, and hours are 9 a. m. to 5 p. m. Monday, Wednesday, Thursday, and Friday; 9 a. m. to 8:30 p. m., Tuesday; 9 a. m. to 12:30 p. m. Saturday.

Maybe Somebody Didn't Understand

The campaign to collect empty coffee jars to raise "pin money" for the Daly City Servicemen's club, 6201 Mission street, is under way—the wrong way. On the first evening of the drive, last week, somebody made off with the eight jars AND the box outside the club. Starting from this below-zero position, the committee secured a new box and will have it there until Saturday evening, April 1. Residents who have empty coffee jars are asked to leave them in the box outside the club. All proceeds will be used for (Continued on Page 6)

During its Monday night, March 27, session, the Daly City councilmen voted an appropriation of \$100 to the 1944 Red Cross War fund, took out membership for the local police department in the International Association of Chiefs of Police, expressed their intention of allowing special Victory Garden water rates again this year, appointed Mrs. Imelda Jackson a permanent city employee, and ordered an inventory taken of alien property and city medical supplies stored in the basement of the city hall.

Mayor A. J. Gaggero opened the meeting at 8:35 p. m. with Councilmen Edmund Cavagnaro, Eugene V. Lynch, Howard McHugh, and John J. Fahey sr. present. Other city officials in attendance were Police Chief James G. Reardon, Deputy Health Officer Fred A. Collins, City Clerk B. C. Ross, City Attorney F. E. Hoffmann, and Engineer R. A. Klassen.

Under communications, the appeal from the Red Cross was read and Councilman Fahey made a motion to give \$100 to the drive. The proposal was unanimously passed. Councilman Lynch suggested that Police Chief Reardon grant permission to Avery Williams to hold a rodeo parade here, April 23, as the council had no objections to the activity.

After Police Chief Reardon had voiced his approval of the city having membership in the International Association of Chiefs of Police, Councilman Lynch, as police commissioner, made a motion that Daly City become a member and pay the \$10 yearly dues at once. Unanimous approval was given the plan.

Permission was granted for an extension of telephone wires on Hillside boulevard.

Councilman McHugh reported on the March 23 meeting of the Northern San Mateo County Municipal and Civic league.

Councilman Cavagnaro, who fostered the Victory Garden water rate, last year, proposed that the same plan be followed this season when the government is putting even more emphasis on the raising of foods at home. Last year, more than 800 Daly City residents took advantage of the reduced water rates for Victory garden use. The special rate granted to those who help meet the food shortage by raising Victory gardens, is allowed in the form of a credit on the regular water bill. The special consideration does not apply to commercial (Continued on Page 6)

To Schedule Two Games On Sundays

With the opening of baseball season, Sunday games have been resumed at Marchbank park between leading teams of this area, according to Edmund Cavagnaro, city park commissioner. Double-headers are planned for each week, with the juniors playing in the morning, followed by a men's game in the afternoon. Soldiers stationed at Fort Daly City are making up a team for the new season, with practice at the park slated to start soon.

Making their first appearance this year, the Daly City Juniors, last Sunday, defeated the Cub Juniors, 9 to 2. Manager Charles Norry, who led the Farallone Packers to a league championship last season, has announced positions on the team are still open for any local youngsters who can show baseball talent.

In the afternoon contest, Bay Meadows downed the Sacramento Bowl squad, 5 to 2. Walter Lister pitched for Bay Meadows, a new team comprised of most of last year's Farallone Packers.

Next Sunday's games at the park include one between the Daly City Juniors and the Amazon Boys club, at 11 a. m., and Bay Meadows will meet an unnamed opponent at 2 p. m.

Daly City Theatre's Current Attraction

Not that Gene Kelly doesn't like sodas, but the atmosphere and the company at this particular moment seems to be bothering him in M-G-M's Technicolor musicfilm, "Thousands Cheer," now at the Daly City theatre. Ben Blue seems to be somewhat surprised, but pretty Kathryn Grayson seems to know the answer to Kelly's troubles. Practically every star on the M-G-M lot appears in the picture.

Judge Metes Out Fines At Friday Court Session

At Friday's session of city court, Judge William J. Sweeney fined Clarence Weens, 673 Navy road, San Francisco, \$10 for leaving a Market Street railway bus unattended on the night of March 3, when considerable damage resulted to property on San Jose avenue as the bus careened driverless down the street. The railway company, which no longer employs Weens, took care of the property damage.

Speeding cost Arthur Hunting, 436 Hill street, San Francisco, \$25. Patrick Bailey, 182 Flournoy street, paid a \$5 fine for improper turning. Amerigo R. Fortini, 528 London street, San Francisco, was fined \$5 on a speeding charge. Frank Lindholm, 49 Los Banos avenue, failed to appear at the March 24 court session and forfeited \$25 bail. He had been charged with disturbing the peace.

261 Los Banos avenue, 9-years-old, and Walter Sharp, 461 Knowles avenue, 11-years-old. They had earned it doing odd jobs. Joining in the spirit in which they gave, Mrs. Conlon sent them a letter of thanks on official stationery as well as window stickers and lapel pins.

Mrs. Laird and Mrs. Roderique are handling the collections for the drive at Mission Auto court. The students at the high school notified Mrs. Conlon that they'd like to help, too, and a substantial sum is expected from their efforts.

In her final appeal for cooperation from Daly City residents, Mrs. Conlon pointed out that the work of the American Red Cross this year is more vital than at any time in the past. Reasons are—this is the country's largest war; more soldiers and sailors require Red Cross service in hospitals, camps, and recreation clubs; the Red Cross must carry its services to more active fighting fronts; it must implement and continue its vast program for the armed forces and at the same time continue its home-front schedule of disaster relief, family and social service.

By Tuesday morning of this week Daly City was well into its third thousand in the campaign. Although this was far from the quota, it already represents the largest Red Cross collection ever made in this community.

Colma Red Cross

ished the necessary gasoline for the day. His son, Eugene Lagomarsino, and George Riccomi designed and painted the big sign which decorated the truck. Promptly at 9 a. m. the truck reported to its appointed stand in front of Anchor Drug store, Mission and Market streets.

In the morning the two boys helped Mrs. Brown, while from 1 to 6 p. m. the following members of the Colma A. W. V. S. Jr. assisted, working 2-hour periods in pairs, Doris Parodi, Jeannette Ramer, Marie Horkey, Estelle Parodi, Mary Ann Bartels, Caroline Fuchs, and Stella Massei. Raymond Martini acted as junior messenger during this period.

From 6:30 to 8:30 p. m. Miss Caroline Migliore aided Mrs. Brown. At 6 o'clock the contribution table was moved into Anchor Drug store upon the invitation of Fred Biagini.

As the result of the day's effort the Red Cross 1944 War Fund of Colma district was \$134.35 richer but more valuable, according to Mrs. Brown, than the money obtained was the friendly response of all who contributed and the cheerful, wholehearted, patriotic service given by the boys and girls that day.

Residents who have not as yet donated to the Red Cross are urged to rush their checks, made out to the American Red Cross, to Mrs. M. Pauline Brown at Box 1653, Colma 25, California, as the drive is to be concluded tomorrow, March 31.

WE ASK OUR RETURN TO OFFICE AS

Representatives of
the People of
Daly City

JOHN J. FAHEY

EDMUND CAVAGNARO

If re-elected as City Councilmen, we pledge ourselves to continue to transact civic affairs to the best interests of the PEOPLE OF DALY CITY, and not as workers for any group of special interests.

Our present city council has achieved a splendid sense of co-operation in the administration of city business. It is probably more fully representative of the various local interests than at any time in our history. Since this assures full and complete discussion of any matters to be dealt with, there would be real danger in upsetting the "balance of power."

WHAT IS THE MEANING OF

"Let's Finish
the Job"?

Two years ago a small group, under the name "Better Government Club" were successful in seating three candidates on the City Council. Now, with the other two seats to be filled, the club is widely advertising two candidates with a slogan, "Let's Finish the Job." Do you want all five members of the council to be named by this "club"?

For Your Best Assurance of Impartial City Government,

RE-ELECT

FAHEY and CAVAGNARO
CITY COUNCILMEN

ELECTION TUESDAY, APRIL 11

WOODROW PTA ELECTS

Woodrow Wilson P. T. A. heard the report of its nominating committee, Tuesday afternoon, March 21, at the school and unanimously accepted the recommended list.

Those selected to head the group for the new term are: Mrs. Elsie Hesselein, president; Miss Aileen Suber and Mrs. Alice Bryan, honorary vice-presidents; Mrs. Hazel Marsh, vice-president; Mrs. Betty Eschenauer, recording secretary; Mrs. Ethel Saame, corresponding secretary; Mrs. Florence Hopman, treasurer; Mrs. Irene Williams, auditor; Mrs. Catherine Duffy, financial secretary;

Mrs. Ida Hanley, parliamentarian; Mrs. Mildred Ventura, historian.

Mrs. Ventura made a report of the March meeting of Seventeenth district, California Congress of Parents and Teachers, and Mrs. Hannah Alacata reviewed the February district meeting for the group.

Members were entertained by the kindergarten class. Delegates chosen to represent Woodrow unit at the April 20 district convention were Mrs. Hilda Heagney, Mrs. Marsh, and Mrs. Eschenauer.

First reading of the unit's new set of by-laws was heard and a donation of \$5 was made to the Red Cross.

Mrs. Martha Linden received a life membership pin.

On Friday, March 24, members of the unit gave a bon voyage party for Mrs. Alacata who is returning to Honolulu after nearly two years spent in Daly City, to which she was evacuated following Pearl Harbor. The farewell was given at the Sir Francis Drake hotel where a delightful luncheon was served and the guest of honor was presented with a beautiful corsage.

Whist enthusiasts are reminded that today, March 30, at 1:30 p. m., Woodrow Wilson P. T. A. is giving a party at 64 Wilson street. The public is invited to the whist; Mrs. Hazel Keagle is hostess.

New Staff Assistance Classes

Women who would like to serve in the San Mateo county chapter, American Red Cross, are urged to sign up now for the new staff assistance class which will begin, Tuesday, April 11, 9 to 11 a. m. at the Burlingame Woman's club, 217 Park road, Burlingame. The class will meet each Tuesday for a 2-hour session under the direction of Mrs. W. T. Cleverdon.

Staff assistants are urgently needed to help with the clerical, secretarial and administrative work in the various departments. The 10-hour lecture course, interesting and informative, gives the historical background of the American Red Cross and describes the activities of the chapter as a whole, affording the opportunity of hearing and meeting the chairmen of each service.

RED CROSS DRIVE

When the huge Allied force strikes across the channel in the greatest military campaign in all history, it will be composed not only of the men and machines that must deal death to the enemy, but the men and equipment that will brave the battle to bind up the wounds of the fallen and save the lives of both friend and foe.

This will be just another job for the Red Cross in the ceaseless performance of its mission of mercy. For decades this great humanitarian organization in peace and in war has never failed to give aid to those in need regardless of race, creed or color.

The Red Cross Drive to raise \$200 million—the minimum need—closes at the end of this month. Every person should give all he can in support of it. The extreme worthiness of this cause has been given practical recognition in the business-sponsored radio and newspaper advertising and in such donations as the \$100,000 from Pacific Telephone company, \$100,000 from Bank of America, and the \$108,000 from Standard Oil Company of California.

Every dollar helps the boys in the foxholes, provides food and assistance for our soldiers in enemy prison camps, gives aid to the families of fighting men—in short, helps those who are now helping preserve America.

If you haven't given yet, give now—and generously.

REGISTER NOW!

Register now and be sure you vote in the primary election in May!

The ballot box is the voice of the people in a democracy. If the privilege to vote is ignored or neglected by a large part of the citizenry then we have a democracy only in name—not in fact.

There never was a time when it was so essential for the people to make themselves heard, to express their wishes through the power of the ballot. Too many of us wax eloquent in complaint about our government but when the opportunity comes to speak most effectively—with our vote—we are often "too busy" or we "forget" or we conclude that our "one vote won't make any difference" in the final outcome.

Registration for the primary election closes, April 6. In spite of the fact that California's population is a million greater than four years ago, registrations this year are below those of 1940. This ought not to be.

All who did not vote in the 1942 election, or have moved since November, 1942, or have changed their names by marriage, must register in order to vote.

So, register NOW—and be sure to vote!

AT DALY CITY GRAMMAR SCHOOLS

AT WOODROW

Room 5

A handball tournament determining the championship was played at Woodrow Wilson Elementary school. The lucky winners were Robert Huntington and Vincent Harju.

Room 4

Oral reports on books selected from the school library proved to be a fine stimulus to reading selected literature.

Room 8

During their social studies period, Monday, March 20, the students of Room 8 enjoyed a film entitled "Arabian Desert," which depicted the life of the Arab tribes who live on the deserts of Arabia. At the conclusion of the film Leroy Davis and Leroy Gonzales showed their drawings which they projected on a screen. The students enjoyed it very much especially the question period in which they were given an opportunity to question the two boys about their topic which was "Shelter."

Room 9

Room 9 is studying about Phoenician boats and their way of moving on the water. The pupils also found out why the Hebrews were not great farmers like the people of Mesopotamia.

Room 12

Room 12 saw an interesting film, "The Story of Rubber." In the picture they saw the use of modern machinery in clearing the forest lands and in the factories where the rubber is prepared for shipment to the United States.

Room 5

After spending several weeks studying the period of exploration and period of colonization the low and high fifth grades are ready to learn about the pioneers.

Room 14

The high fourth has been busy decorating the room with paper flower pots and tulips. Many of the pupils drew pictures of flowers that had been brought to class.

AT JEFFERSON

Jefferson school children have shown a marked increase in their purchase of stamps, having been stimulated by a desire to have the Treasury Flag fly over their school house. This flag is awarded a school when 90 per cent of

that school's pupil enrollment has purchased stamps during any one school month.

The young servicemen who have seen fighting in the South Pacific visited the school this week. The first visitor was John Periera, a marine, who is home on furlough after a two years absence. He gave an eye witness story of the landing of the Marines on Tarawa, and answered many of the children's questions about the South Pacific islands.

The second visitor was Howard Lucas who is also home from the South Pacific on a furlough. He said he just dropped in to see if everything was going on in school as he remembered it.

The fifth grade had a lesson on citizenship this week that finished up with an application of that lesson, and a concrete demonstration of how good citizenship could be shown at school. It was suggested that keeping the school yard clean was one way, so the children arranged to take turns keeping the annex school yard clean. All of them agreed that, particularly after the luncheon period, it was their responsibility as much as the janitor's to see that the premises were kept free of waste paper and trash.

The school has another new pupil from Half Moon Bay, Norma Parente, who is now registered in high eighth grade.

AT CROCKER

A moving picture was shown to the pupils of Room 2 last week called, "Bread From Acorns." It depicted the primitive methods employed by the Indians in the preparation of this food.

The students of Room 3 are enjoying their study of seashore life in science. Many pupils are bringing in specimens.

Over the weekend Carley Carle went to the beach and brought back two jellyfish.

An interesting film on Turkey was shown to Room 4, this week. It portrayed the urban life of that country.

Room 6 was happy to report that the class was 100 per cent in the "Pennies for Pines Drive," having brought in \$2.09.

These pennies are to plant young pine trees in areas devoid of trees and in as much as the class is studying conservation the drive came at a very opportune time.

"Blossom Time" To Close, April 7

Friday, April 7, marks the final performance of "Blossom Time" after a record breaking engagement at the Curran. Seldom, indeed, does an operatic entertainment score such a pronounced impression as has been the experience of Franz Schubert's musical biography. It has, for weeks, delighted thousands of music lovers who have congregated nightly at the Curran to hear the delectable Romberg opus with a cast headed by Barbara Scully.

The Messrs. Shubert have given to this musical gem a production in such good taste that goes far in the fashioning of an exceptional operetta.

To give additional interest to these last days, a bargain matinee will be introduced, Wednesday, April 5, and thereby giving increased interest to this notable engagement.

Olson and Johnson's "Sons O' Fun," big New York musical extravaganza, opens at the Curran, Saturday night, April 8.

NEW BABY

Mr. and Mrs. Archie W. Schimpa, 451 Evergreen avenue, are receiving the congratulations of friends and relatives upon the arrival of a daughter born, March 17, in San Francisco.

BUBBLE-DANCER — is U. S. war slang describing a dish washer. Even a dish washer has wartime duties. Yours is to work and buy more War Bonds in the 3rd War Loan.

PERSHING PTA

The executive board of General Pershing P. T. A. met, yesterday, to plan the regular unit meeting, which is scheduled for 1:30 p. m., Tuesday, April 4, at Pershing school.

Tomorrow, March 31, the unit is giving an Easter party for the youngsters of Pershing school, following the dismissal of classes. Mrs. Frances Haussler is chairman.

BOY SCOUTS

Boy Scout Troop No. 141 will use Easter vacation week to go camping at Cypress grove, Sharp Park, according to Scoutmaster Joseph Straughan. The boys will leave, Sunday, April 1, and return Friday, April 7.

The troop is now open to new memberships and any boy interested in joining may contact Straughan at ELkridge 3335.

Scout Edward Smith and Cub Alfred Smith, members of Group No. 141, have moved to Oakland.

NATIVE SONS

Alfred Smith, Charles Huber, and Alfred Koskela became members of El Carmelo Parlor No. 256, Native Sons of the Golden West, at initiation ceremonies, Tuesday evening, March 21. For the occasion Second Grand Vice-President Francis McCarthy, Grand Trustee Thomas Ryan, and Grand Secretary John Reagan were in attendance. Refreshments were served and a social period enjoyed at the end of the program.

Delegates for the grand convention to be held in San Jose in May were appointed. They are Anthony Parmisano and William Ottoboni, with Ernest Micco and Herman Christen as alternates.

Next meeting of the parlor will be held, Tuesday night, April 4 at Colombo hall. President James B. Mullen will open the meeting at 8 p. m.

READING & WRITING

BY Edwin Seaver AND Robin McKoun

PROBABLY the most famous country editor this country has ever known is the late William Allen White, whose death a few weeks ago came as a shock to his many friends and admirers.

WILLIAM ALLEN WHITE

For almost half a century, since 1895, Bill White was editor of the Emporia, Kansas, Gazette, during which period the paper grew from a circulation of 600 to nearly 7,000. He bought it for \$3,000 and could have sold it for a quarter of a million. But he never would, nor would he accept the enticing offers that came to him from New York and other big cities. He wanted to stay, he said, in a town where he could water his lawn with thirty-five feet of hose.

Bill White was so closely identified with the newspaper and political worlds, we forget that early in his life he also wrote novels and stories of note, while later, one of his major interests was the Book-of-the-Month Club. He was one of the five judges who was with the Club since its inception in 1926, his colleagues being Dorothy Canfield, Henry Seidel Canby, Christopher Morley and the late Heywood Brown.

Aside from his own little beloved Emporia Gazette, Bill White said he regarded this work of reading and choosing books for wide distribution as his major activity in recent years.

Of late Mr. White often did not make the long trip from Emporia to attend the Club's monthly editorial meetings. His substitutes were long telegrams and long distance calls, in which he gave pungent criticisms of the books up for consideration. On one such book, however, he made no comment, either for or against. This was "They Were Expendable," by W. L. White, his son. "They Were Expendable" was chosen unanimously as a book-of-the-month by the other three judges.

One of the most paradoxical men of history was Alfred Nobel, described in Michael Evlanoff's biography, "Nobel—Prize Donor." He was the inventor of dynamite and also a pacifist. He amassed a tremendous fortune from the manufacture of munitions, and bequeathed that fortune to a fund for prizes for the best works in physics, science, chemistry, medicine, literature, and in the field of peace. He was one of the most spectacular men of his times, yet he lived a quiet, secluded life. He reconciled his profession to his pacifism with a bit of logic that we must now call naive, to say the least. He believed that when men realized the horrors of war with modern weapons of destruction, they would stop fighting.

Police, Fire

Officer Benassini investigated an auto accident at Hillside boulevard and Mission street, March 24, at 8:15 p. m. The cars were driven by George Watson, 170 Whipple, San Francisco, and Dominic Arbini, 2858 Twenty-first street, San Francisco.

Saturday, March 25, at 2:39 p. m. Company No. 1 and Company No. 2, as well as Police Chief James G. Reardon and Officer Hopman, responded to a fire alarm turned in from the box at Mission opposite Citrus. Investigation revealed that a pot of potatoes was burning on the stove at Cabin No. 1, Mission Auto court.

Officer George Savage halted J. H. Hammock, 779 Grove street, San Francisco, when he drove an ice company truck on the left side of Hillcrest drive and struck three parked cars. Savage found he had no driver's license and ordered the truck taken to the Daly City Garage. Two of the cars hit by the truck were owned, respectively, by Pauline Christman, 198 West Moltke street, and J. Armstrong, 301 San Mateo avenue.

At 12:30 a. m., March 25, Antonio Kentra, 222 Los Olivos avenue, reported his 1936 Plymouth sedan had been stolen from Hillcrest drive and Mission street where he had parked it at 9 p. m. At 12:45 a. m. Sergeant Benedetti and Officer Henry Sundermann jr. recovered the stolen vehicle in front of 6259 Mission street and notified the owner.

Central Creamery, 6331 Mission street, turned in a fire alarm, March 26, at 12:30 a. m. when an overheated grill caught fire. Damage was slight. Companies 1, 2, and 4 responded.

Sergeant Benedetti and Officer Sundermann investigated an accident at Hillcrest drive and Santa Cruz avenue, March 26, 7:40 p. m. Drivers involved were Edwin Hartenbower, 282 St. Charles avenue, and Edna Lowden, 1246 Brunswick street.

Officers Petrocchi and Beecher picked up two San Francisco 17-year-old youths at Alp and Mission streets, March 27, at 2:20 a. m. on violation of the local curfew ordinance. Both had been drinking. They were sent home after a severe reprimand and a report was made to juvenile authorities.

March 27 at 11:55 p. m. Donald Kittsmiller, 2 years old, 444 Citrus avenue, was brought medic-

DRIVE ENDS

Tomorrow, March 31, Daly City's waste paper campaign will come to a close, according to R. L. Crane jr., chairman of the Salvage for Victory committee. Local residents who still have bundles of newspapers or magazines which no pupil-collector has called for are asked to take the bundles to the school nearest their homes. Local schools are located at 344 Santa Barbara avenue, 43 Miriam street, 649 Bellevue avenue, 631 Hanover street, 14 Allemany street, First avenue and Castle street, and San Pedro road and Allemany street.

The grammar schools hope to pile up an impressive collection total in the current waste paper drive, and public cooperation is asked. Crane also pointed out that this would be the only drive for some time and consequently it affords the best opportunity for Daly City householders to clear their basements and attics of stored papers and magazines destined for the salvage program.

In aid through the cooperation of Sergeant Benedetti and Officer Sundermann. His father reported that the child had fallen from his chair and hurt his leg. The policemen summoned Dr. Ivan T. Budaeff who found that the boy had fractured his right leg. At 1 a. m., March 28, the child was sent to Community hospital in a Daly City cab.

Wartime drivers find Studebaker the ideal economy car

DEPENDABLE transportation means more than ever these days to busy wartime drivers.

Here's what a big-city physician, name on request, recently said: "In my general practice, I can always count on my Studebaker these war days for reliable, low-cost performance."

That doctor is one of many hard-working civilians who are getting exceptional tire, gas and maintenance economy from their Studebaker Champions, Commanders and Presidents.

In fact, today, after well over two years of war, hundreds of thousands of essential motorists from coast to coast are still enjoying dependable transportation at low cost, thanks to the quality of Studebaker craftsmanship and the advanced principles of Studebaker engineering.

Hats off to the People who Produce your Electric Light and Power

*The Charles A. Coffin Foundation
confers a special citation for
distinguished wartime achievement
on the*

ELECTRIC LIGHT AND POWER INDUSTRY

"Faced with unprecedented demands, the Electric Light and Power Industry has met every war-production requirement without delay and without impairment of its peacetime services to the public. This achievement merits the appreciation not only of American industry but of the entire nation."

—FROM THE CITATION

THIS CITATION is richly merited—for here is a branch of industry that has done a remarkable war job that has not been generally recognized.

If electric power should fail, or if it be too little or too late, the disastrous effects would startle all America. Vital machines would be motionless. Millions of homes would be cold—and an eerie blackout would descend over the land.

But, electricity has not failed. Rather, in 1943 twice as much power was produced as in the year before the war—with the minimum of new facilities—and despite large losses of skilled employees to the Armed Services.

In the words of J. A. Krug, Director, Office of War Utilities of W.P.B., "Power men—public and private—should be proud of the job that has been done in providing power supply. Power has never been too little or too late."

We of General Electric, who have built a large part of the electric equipment which generates, distributes, and uses the electric power of America, take pride in the way this equipment is standing up under the strain of "forced draft" wartime operation.

Many of the men and women responsible for this remarkable record are your neighbors—the manager or meter reader who lives across the street, the girl in the accounting department who is in your bridge club, the lineman with whom you bowled last night. A word of appreciation from you to them will lend added significance to this well deserved citation. General Electric Company, Schenectady, New York.

About a Job You May Want

It's with Southern Pacific . . . and it's a job which best fits your ability and your personal ideas of the work you'd like to do. Because it's one of a hundred kinds of jobs. You have your choice. Maybe you're a machinist or carpenter or an ex-railroader—an experienced man. Maybe you're unskilled or semi-skilled. That isn't so important. The big thing to remember is, that this is a railroad job . . . that it's "got something" other jobs don't always have—the interest and excitement that goes with railroading. It's a job with a permanent company . . . with people you'll like. A job with opportunity to get ahead . . . a job you can really respect. S. P. needs men for all mechanical crafts . . . needs inexperienced men too, as helpers or shop workers . . . men for every imaginable kind of job. If you're sincere in wanting a better-than-ordinary job, we'd like to talk to you. Liberal age limits. New, higher railroad wages. Railroad pass privileges. Fine pension plan. All the things that make a good job good.

See or write S. P. Employment Office, 33 California St., San Francisco 11, or your nearest S. P. Agent.

What Is the Charles A. Coffin Foundation?

THE PURPOSE of the Charles A. Coffin Foundation is to encourage and reward distinguished achievement in the electrical field by "prizes to employees; by recognition to lighting, power, and railway companies for improvement in service to the public; by fellowships to deserving graduate students; and by the grant of funds for research work at technical schools and colleges."

Establishment of the awards was announced twenty-two years ago in a statement issued by President Swope and dated December 2, 1922:

"On May 16, 1922, Charles A. Coffin in his 78th year retired from the active leadership of the General Electric Company. Mr. Coffin has been identified with the development of the electrical industry since 1882. He was the founder and creator of the General Electric Company, of which he has been the inspiration and leader for thirty years."

"As an expression of appreciation of Mr. Coffin's great work not only for the General Electric Company but also for the entire electrical industry and with the desire to make this appreciation enduring and constructive as Mr. Coffin's life and work have been, the Board of Directors of the General Electric Company, created on his retirement and now desires to announce the 'Charles A. Coffin Foundation.'"

gardens nor to properties outside the city limits. The city attorney was asked to draw up a resolution to handle the granting of special rates again this season and June 1 was tentatively suggested as the date to put them into effect.

City Attorney Hoffmann reported that the Hillcrest drive crossing of the Southern Pacific tracks to cut into Junipero Serra boulevard had been approved "without any strings."

H. R. Haskins was present at the session to ask for a permit to operate a parking lot at Bepier and Mission streets and another permit to remodel two cabins near Bismark street. Haskins was advised to take the matter up first with the building inspector.

The council requested that Mrs. Cora M. Fisher, 233 Los Olivos avenue, appear, April 10, in regard to a recommendation by the health department and building inspector that her property be condemned.

After the reading of claims, Councilman Lynch made a motion that a warrant be drawn and the bills paid, and Councilman McHugh moved the meeting be adjourned until Monday evening, April 10.

More than two hundred attended the spring dance, given Saturday evening, March 25, at the club. The decorations put up by several of the junior hostesses for the evening were voted "very pretty." Several of the boys came early and helped make sandwiches for the highly successful party.

The club's committee announces that after Easter it will initiate a plan of having several junior hostesses present each evening with the senior hostesses. Any local girl, 18 or over, who would like to serve as one of the junior hostesses may sign up for such activity by calling one of the committee, Mrs. Maisie Boyle, Delaware 4521, Mrs. Ann Eason, Randolph 5376, or Mrs. Margaret Steele, Delaware 9867.

Hold Funeral Services For Mrs. Johanna Smith

Funeral services were held, yesterday morning, March 29, from the W. C. Lasswell and company mortuary for Mrs. Johanna B. Smith, who passed away, March 27, after a lengthy illness. Requiem high mass for the repose of her soul was celebrated at Our Lady of Perpetual Help church at 9:30 a. m. and interment followed at Holy Cross cemetery.

Mrs. Smith had been ill for some time and died at the home of her son, George Smith, 762 Brunswick street. She was the wife of the late George E. Smith; the mother of George A. and Loyal J. Smith, Mrs. Myra Koeman and Mrs. Maxine Fitzgerald; the grandmother of Noel, Myra and Peter Koeman, George A., John, Loyal, Arlene, and Loyal J. jr. Smith, Charles Lashinco, and Mrs. Vera Montgomery.

Mrs. Smith was a long-time resident of this district and formerly lived at 5982 Mission street.

ON DUTY

Somewhere in the South Pacific (Delayed) — Marine Sergeant James W. Sunderland, 364 Miriam street, Daly City, is on duty here with a military police detachment.

Before he enlisted ten days after Pearl Harbor, Sergeant Sunderland was employed by a glass company in Oakland.

He attended Jefferson Union high school in Daly City, where he was an outstanding athlete, playing on the varsity football and basketball teams.

His father is Boatswain's Mate Second Class William W. Sunderland, USN.

Junior Red Cross

R. L. Crane jr., district superintendent of schools, announces that the local Junior Red Cross has just completed another group of articles for wounded servicemen recuperating at military hospitals in this country.

The boys turned out eighty cribbage boards, while the girls finished thirty gay cushion covers. The articles were sent to Red Cross headquarters, this week.

SPECIAL MEETING

Director Arthur J. Bodien and Police Chief James G. Reardon will make a report to a special session of the Daly City Civilian War council called for tonight, March 30, at the city hall. The two men attended an instruction period conducted by Army officers at Burlingame, March 22, and they in turn will discuss with the local council the further conduct of civilian defense in Daly City.

All members of the war council are asked to attend the meeting which will begin at 8 p. m. this evening.

The Senior Air Raid Wardens of the city will hold their regular monthly meeting, tomorrow night, March 31, at the city hall with Chief Warden Harry Mellicker presiding.

P. G. and E. ELECTRIC CAPACITY

EXCEEDS that of

GRAND COULEE and BONNEVILLE

Combined

MUCH HAS BEEN SAID about the large electric power projects of the Federal government—Bonneville and Grand Coulee in Washington and Oregon, Boulder Dam on the Colorado River.

They have been widely publicized for the contribution they have made to war production—for the power they have provided for industry, commerce and agriculture on the Pacific Coast.

But the fact is that the P. G. and E. has much greater installed capacity, including purchased power, than any of these Federal projects—48.7 per cent more than Bonneville and Grand Coulee combined, 89.7 per cent more than Boulder Dam.

During 1943 the P. G. and E. supplied power to approximately 27,000 industrial plants and affiliated operations. Bonneville and Grand Coulee together served only fifteen, six of which are aluminum.

P. G. and E. power went to 40 shipyards and allied plants, 33 iron and steel plants, 4 magnesium plants, 7 cement plants, 126 food processing plants, and more than 26,700 smaller industrial plants. P. G. and E. also served 80 military and other governmental establishments; Bonneville and Grand Coulee served 15.

All this in addition to taking care of the normal requirements of more than a million regular customers in the home, in business and on the farm. Such is the achievement of free enterprise.

Always building ahead, soon we will add the 65th generating plant to our far-flung system—Pit No. 5, the largest hydroelectric powerhouse in the network.

Sixty-five power plants to speed victory, to serve a growing population, to keep northern and central California prosperous and great in the postwar period!

Let's Have the Facts

Let's analyze statements made this week by Councilmen John J. Fahey and Edmund Cavagnaro in support of their re-election to the Daly City Council April 11:

They say "Daly City has a low tax rate."

We say—Daly City's tax rate of \$1.09 is not low, and provides an annual revenue together with city license fees and state grants, of more than \$160,000. According to the councilmen's figures only some \$8,000 of this goes into so-called reserve funds.

They say "during our terms we have helped to obtain a new city hall, extensions of fire alarm and water systems, extensions of street paving, beautification of Marchbank Park, with one of the finest baseball parks in the state, and completion of Lincoln Park playground, radio system for modernization of our police department, improvement of the public library."

We reply—the new city hall was built from funds provided by bond issue approved by the people, and for which they are still paying, together with federal funds. In building the city hall the two incumbent councilmen were responsible for the construction of a building smaller than the old city hall, and which is utterly inadequate for the proper handling of the city's present business.

Extension of our fire alarm system was provided through funds from a bond issue voted by the people, and water service extensions were made through special assessments, despite the fact that the water returns net the city some \$30,000 annually after all expenses including garbage collection are paid.

Street paving extensions have been nil in comparison with the amount of money the incumbents have spent in maintaining city government.

Beautification of Marchbank Park and completion of Lincoln Playground have cost the city thousands of dollars, and their statement that Marchbank Park provides one of the finest

baseball lots in the state is true, but who is permitted to use it?

The radio system for the police department we have discussed before as one of the biggest jokes in city improvements, because of the fact the system is so constructed that the police station cannot communicate with patrol cars unless the call is sent through San Francisco and South San Francisco, where it is rebroadcast to our police cars. How fast could you get much-needed police aid with such a round-about system as this?

Improvements to the public library were made at considerable cost to the taxpayers, and after they were made the two incumbent councilmen forgot to insure them. Is that good business?

OUR FIRE DEPARTMENT

Now comes one of the most ridiculous claims yet made by the two incumbent candidates. They say—"Another major achievement was the establishment of our new fire department, a model of efficiency and maximum protection. This was accomplished by co-operation with the fire underwriters, resulting in the improvements' total cost being more than offset by lowered insurance rates within the city."

This statement is really funny to those familiar with what actually happened. It was the FIRE DEPARTMENT ITSELF that went from door to door in the city soliciting support for the bond issue that made fire department improvements possible, while THE TWO INCUMBENTS SEEKING RE-ELECTION WERE OPENLY OPPOSED TO THE ENTIRE PROGRAM.

The firemen themselves had very definite plans for improvements, and it was these plans that sold the taxpayers on the bond issue. After the bond issue had passed and the money was available for spending the two incumbents seeking re-election threw the firemen's plans into the discard, and informed the firemen—"We run the city—We'll spend this money the way we want."

If plans submitted by the firemen themselves had been followed, Daly City would have had one of the finest fire departments on the Peninsula, fully equipped to handle all emergencies, especially those having to do with civilian defense. Fire insurance rates were lowered, but not through any effort on the part of the two incumbent city councilmen seeking re-election, and **ONLY BECAUSE OUR FIREMEN WORKED NIGHT AND DAY TO GET THESE IMPROVEMENTS AND THEIR COST APPROVED BY THE PEOPLE.**

Few city improvements have come out of the city's general fund from taxes, but have been financed by extra funds raised by bond issues the people approved.

Despite the fact most improvements have been financed by bond issue approved by the people, the two incumbent councilmen seeking re-election, the record will show, consistently opposed these improvements and the bond issues to finance them, even though the taxpayers approved them. These incumbents couldn't, or wouldn't, make needed improvements out of the general tax fund, and when the people took matters into their own hands and voted bond issues, these two councilmen, opposed as they were to the improvements, now are trying to take credit for them.

There is another issue of importance to the people, the conduct of our police department. The two incumbent councilmen now seeking re-election are directly responsible for the present setup in our police department, which is ridden with strife and disunity. We have excellent men on our force. Why should there be this disunity and inefficiency? Perhaps the two incumbents responsible can tell you. Perhaps, if they had adopted the merit system of city government provided by ordinance nearly 10 years ago, conditions like this would not now exist. Daly City voters expect the very best from their public servants, and Daly City voters are willing that these public servants be adequately protected in their jobs.

Such conditions as we have mentioned will NOT exist, if you

Julia offers
7 exciting ways
to use eggs!

YOUNG BILL gave me his orders for lunch the other day: "And I'd like three eggs scrambled, please!" I couldn't help reflecting on two facts, first that teen-age youngsters have amazing appetites, and second that it's a good thing our farmers are sending so many eggs to market now.

And then I got to thinking about other uses for eggs—and how they can be an important part of every meal, right through the day. Examples:

EGG NESTS FOR BREAKFAST

Toast six 3½-inch rounds of bread on one side. Top toasted side with broiled or fried bacon or ham slice (these could be omitted if not available). Beat 6 egg whites until foamy; add salt and white pepper, continue beating until stiff but not dry. Pile meringue lightly on toast rounds; with rounded end of egg shell make slight indentation in each meringue; gently slip a yolk into center of each nest. Bake on cookie or baking sheet in moderate oven (350° F.) about 10 minutes or until egg yolk is set. Serves 6.

STUFFED EGGS FOR DINNER

6 hard-cooked eggs 4 tbsps. butter or margarine
¾ tsp. salt 4 tbsps. enriched flour
¼ tsp. prepared mustard 2 cups milk
2 tbsps. mayonnaise 2 cups coarsely grated cheese
¼ tsp. paprika

Halve hard-cooked eggs. Combine yolks, ¼ tsp. of the salt, mustard, mayonnaise and vinegar. Stuff whites with mixture and sprinkle with paprika. Make cream sauce by melting butter or margarine in top of double boiler. Blend in flour, (curry may be added if desired). Gradually add milk, stirring until smooth. Cook over rapidly boiling water 10 to 15 minutes or until thickened, stirring occasionally. Add remaining salt. Pour sauce into heated serving dish and top with eggs. Sprinkle grated cheese over all. Serves 6.

OMELETTE SUPREME FOR LUNCH

6 eggs ¼ cup milk
1 tsp. salt 2 tbsps. shortening
1 tbsps. enriched flour

Beat eggs well; add salt, flour, and milk. Continue beating until light and foamy. Melt shortening in heavy frying pan; pour in egg mixture. As mixture browns on under side, pull outside edges to center of the pan, letting the uncooked mixture run to the edges; continue until all of the mixture is set; cover; cook slowly until set and well browned, about 5 minutes. Uncover; cut one-inch slit on outer edge of opposite sides; fold through center; turn into hot serving platter. Serve immediately plain; or spread with preserves; or sprinkle with cheese. Serves 6.

And here are some more egg-ideas: To bolster vegetable salad, add sliced hard-cooked egg. For sandwich garnish, sieve hard-cooked egg. To make meat or fish loaves hold together, mix one raw egg to each cup of meat or fish. For a shining golden glaze on breads and biscuits, brush surfaces with well-beaten whole egg before baking.

"Date Conscious"? You'd Better Be--

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date until April 30, 1944.

November 1—Book Three "airplane" series stamp No. 1 became valid; good for one pair of shoes until further notice.

January 16—sugar stamp No. 30 in War Ration Book Four became valid and will be good for buying 5 pounds of sugar indefinitely.

February 27—blue stamps A8, B8, C8, D8, E8 (Book Four) to be used with ration tokens came into use for processed foods.

February 27—red stamps, A8, B8, C8 (10 point value each) in Book Four became valid, good through May 20 for meats, fats, cheese, butter.

March 12—red stamps D8, E8, F8 (Book Four) became valid for purchase of meats, oils and fats.

March 22—"A" gasoline coupons No. 11 became valid.

March 31, 1944—deadline for inspection of tires for A book holders.

April 1—stamp No. 31 in Book Four becomes valid for purchase of 5 pounds of sugar.

April 1—blue stamps F8, G8, H8, J8, K8 become valid for purchase of processed foods; good until June 20.

April 15—declarations of estimated 1944 income tax are due.

April 30—stamp 18, Ration Book One, for one pair of shoes, expires.

May 1—another ration stamp will become valid for purchase of one pair of shoes.

May 20—blue stamps A8, B8, C8, D8, E8 for processed foods (Book Four) expire.

May 20—red stamps A8, B8, C8, D8, E8, F8 for meats, oils and fats (Book Four) expire.

May 31—tire inspection deadline for C coupon holders.

June 20—blue stamps F8, G8, H8, J8, K8 for processed foods (Book Four) expire.

June 21—A-11 coupons for gasoline expire.

June 30—tire inspection deadline for B coupon (gasoline) holders.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points and 4c a pound.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four. OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

Announce Local Girl's Engagement

Mr. and Mrs. Maynard J. Stegeman, 250 Los Banos avenue, announce the engagement of their daughter, Gwendolyn, to George Clapper jr., ship fitter third class of the Navy. Miss Stegeman is a graduate of Jefferson Union high school where she was a life member of the California Scholarship Federation. As third highest in her class she was chosen as one of the speakers at the commencement exercises. She is now a sophomore at the University of California.

George Clapper jr., son of Mr. and Mrs. George Clapper sr., Twin Falls, Idaho, is a graduate of Twin Falls high school. Since enlisting in the Navy 16 months ago he has been graduated from the Navy welding course at San Diego and from the underwater welding and deep-sea diving courses at Treasure Island. As he is now at sea diving from a Navy rescue ship, plans for the wedding are indefinite.

Wartime Home Laundry Tips

By BETTY BARCLAY

If the assignment of getting greasy work clothes clean is one of your new wartime responsibilities, now's the time to pattern your Victory laundry routine to professional methods that will cut down time and assure you spic and span results.

First of all, remember that it's a first rule of clothes conservation to tackle the darning and patching chores and fasten loose buttons, before you do the washing. Then shake the clothes, brush out the dust, turn pockets inside out and brush them. Next tackle stains and grease spots. Rub soap suds on thickly and sponge with cold water. If the spots are stubborn, try a stain remover. Separate dark clothes from the light, and segregate any new colored things for separate washing as the colors may run. Soak very soiled garments for about 30 minutes in lukewarm water, adding one cup of kerosene to five gallons of water. Use a brush and thick soap suds to scrub very soiled parts.

Now tackle the main washing job, using enough laundry soap to make a heavy suds and dissolve bluing flakes with soap. You'll be sure of avoiding all possibility of bluing streaks this way and you'll save a lot of time by eliminating the need for a separate bluing job. If you use a machine, 140° F. is the most efficient temperature; if you wash by hand you'll find that a

plunger or a big funnel fastened tightly to a stick is a big help in forcing the suds through the clothes and saves the hands, too. Thorough rinsing in water as hot as you can manage comes next. First wash the white clothes; then use the same tubful for the colored ones, adding more suds and hot water, if necessary.

Starch works wonders in prolonging the freshness of work clothes and should be used on everything except heavy denim. It's basic professional technique to add a quarter of a cake of a specially prepared wax-like product to each quart of light starch so that you can iron the clothes without trouble with pulling or sticking that weakens fabrics and causes tears. This trick is a time-saver, too, because you can iron the clothes while slightly damp and dispense with the time-honored chore of drying first and then sprinkling. The addition of the specially prepared wax-like product also gives the clothes a satiny smooth, dirt-resisting surface.

Another way to speed up the ironing is to hang the wet clothes on hangers and pull them into shape as they dry. If you have enough hangers, it's much easier to put the work clothes on them as soon as they are ironed and store them in a closet instead of folding and tucking away in a drawer.

Crocker Chapter Lists April Events

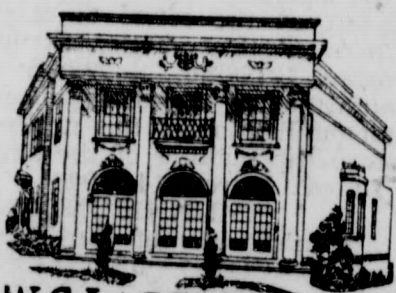

The April calendar for Crocker Chapter No. 382, O. E. S., has as its most outstanding event the official visit of the deputy grand matron, Monday, April 3, 7:30 p. m. at Masonic temple, 17 Hillcrest drive. Committee for this special occasion includes Victoria Grover, chairman; Katherine Reeves, Henrietta Palmer, Minnie Barnier, Alice Nagle, and Wilma Williamson.

Monday evening, April 17, the stated meeting will be held, followed by a Red Cross program. Committee includes Anny Livingston, Teresa Carey, Margaret Twisten, and Elizabeth Maasberg.

The sewing club of the chapter will hold a luncheon and whist at Marin Dell, April 14, 12:30 p. m., with Constance Filippo, Evelyn Penzel, Margaret Darragh, and Margaret Archer as hostesses. There will be an evening sewing meeting, April 27, at 7:30. Mildred Eschelman, 37 Milan terrace, will be hostess at her home to the group. Margaret Honodel will be co-hostess.

Matoaka Council No. 18, Degree of Pocahontas, was hostess recently to the Great Pocahontas of California Miss Julia Arbini and Deputy Great Pocahontas Mrs. Lue Bennett. Many of the official family and past great officers were present.

The great pocahontas gave an interesting talk on the American Red Cross.

Members of the Degree of Pocahontas raised enough funds to purchase an ambulance, which was presented to the Red Cross, last month, and now they have nearly enough to buy a second ambulance.

The social committee served delightful refreshments, according to Mrs. G. Olive Hoover, Daly City, chairman of the publicity committee.

LEGION AUXILIARY

All members of Daly City Unit No. 410, American Legion auxiliary, are urged to be present at the general business meeting, Wednesday evening, April 5, at Legion hall. The session will open at 7:30 p. m. and final plans are to be made for the annual Child Welfare whist to be held, Wednesday, April 19, starting at 8:30 p. m. in the hall, 474 San Diego avenue.

Mrs. Anne Welsh is chairman for the April 19 whist, assisted by Mrs. Florence Beatty, Child Welfare chairman.

CROCKER P. T. A.

The nominating committee of Crocker P. T. A. met Tuesday evening in order to prepare its report for the April business meeting, which will be held Tuesday, April 11, 2 p. m. in Crocker school.

The sewing club of Crocker unit will meet at the home of Mrs. Julia Jordan, 576 Bellevue avenue, Tuesday, April 4, starting at 11 a. m. Members are advised to bring their lunches. The hostess will serve coffee.

Girl Scouts, Brownies Celebrate Anniversary

Girl Scout Troop No. 1 and Brownie Scouts No. 7 held a joint birthday party, yesterday afternoon, March 29, at Pershing school. It was the fourth anniversary of both groups.

Girl Scout Troop No. 1, which meets regularly on Thursdays, will not hold its meeting at No. 5 firehouse, today, due to yesterday's events, which took the place of the usual session.

The last game of the class teams determined the sophomores as winners. Captain of the sophomore team was Alice D'Isepe.

Period team games were held, this week, and G. P. A. L. play-offs will be next week.

Marie Sharp and Betta Chapman have passed their beginner's tests in swimming.

FILM

In an assembly, last Monday, a film sponsored by the P. E. department was presented. The film, "Learn to Swim" was informative in showing the different strokes, and learning to swim for beginners.

EXECUTIVE

The regular meeting of the executive board was held, March 21, called to order at 8 a. m. by President Lenore Ross.

Programs are being made for "Get Acquainted" Week, which is to start, April 12 and end, Friday, April 14. An after-school dance is planned for April 13.

Due to the work and complications, the paper drive will not be held here.

New business: the suggestion was made that those students who have been expelled from school be denied the privilege of attending social activities.

A student body card will be sent to Darlene Copeland.

MUSIC

The Jefferson band and chorus are to present their Easter assembly today.

"Little Grey Church" by Bennett will be played by the band, under the direction of Oscar Busch.

Sacred songs will be sung by the chorus.

MEET THE CANDIDATES

Edmund Cavagnaro

In continuing the discussion of improvements made in and contemplated for Daly City, I should like to report that immediate post-war plans call for an outlet from Mission street to Juniper Serra boulevard by way of Hillcrest drive, providing a direct route from our main business district on the hill to the Coastside highway and the new Metropolitan homesites near Lake Merced; the completion of the middle section of Marchbank park with tennis courts, hand-ball court and playground apparatus; the modernization of the fire alarm system which has been held up due to war-time shortages; providing for a connection with the San Francisco Water system with our pumping plant for stand-by purposes. All of these projects are ready for the "go-ahead" when the war is over.

Another thing we have been giving much earnest study to is the lack of an up-to-date zoning ordinance, of effective condemnation proceedings for dilapidated buildings and of central health matters. We are working for the adoption of modern provisions to correct this situation and pave the way for local progress.

These improvements have been discussed honestly and sincerely at open sessions of your council.

I ask your support at the polls, April 11, and point to my sincere effort to make worthwhile present and post-war plans for your city.

(Signed) Edmund Cavagnaro

Edward J. Dennis

Today I am happy to report to the working people of Daly City that the San Mateo County Central Labor council has added its endorsement to my candidacy for election to the Daly City Council, April 11. At the same time they endorsed my running mate, Bert Meritt. This assures the working people of our community that labor is interested in the highest type of government possible for our city.

In another column in this newspaper is set forth our views in regard to city government. I have received many tributes upon the issues set forth last week, which I believe every voter should consider carefully before voting in this election. City government will be no better than the voters desire, and they can insure representative government by expressing themselves at the polls on April 11.

I am grateful for the fine support that has been accorded me in this campaign, and I want to thank my many friends for the efforts they are putting forth on my behalf. I promise that when I am elected to the city council my every effort will be devoted to the good of this city and its people.

(Signed) Edward J. Dennis

John J. Fahey Sr.

As election day draws near it is a great satisfaction to me to see so many of the citizens of Daly City, even in these trying and busy times, actively supporting my candidacy for re-election to the Daly City Council. During the period I have been city council-

man and mayor of Daly City I have done my best to serve the interests of the people of this city and it is very gratifying to me to see and to know that my efforts have been appreciated.

No public official can please everyone. To try is foolhardy, for there are those who seek from a public official that which it would be a betrayal of his trust to grant. This I, as a public official, have never granted to any man. This as long as I am a public official I shall never grant. Naturally I have occasionally made some enemies because of my refusal to wink at my oath of office. Of my enemies of that stripe I am proud. Some of these same enemies are most active in the campaign against me. Of this I am also proud. I am also proud of those who are supporting my candidacy for I know they have no ax to grind; they seek nothing which I could not rightfully grant them. To them I say all I can give you is an honest, efficient administration of your city's governmental affairs. They ask no more. They will take no less. This is my solemn promise they shall have in the future as in the past.

(Signed) John J. Fahey

Burton L. (Bert) Meritt

This week I want to express my gratitude to the San Mateo County Central Labor council for its endorsement of my candidacy for the city council of Daly City at the election, April 11. Being a business man of many years' standing in this community, it is gratifying to me to know that Labor views my candidacy favorably.

Running with me in this campaign for city council is Edward J. Dennis, representative of the working people of our city, who also has the full support of Labor. This endorsement of both our candidacies is indicative that the people of this city really want representative government.

In this campaign I have set

Will Hold Whists To Benefit Sea Scouts

At the regular meeting of Sea Scout Ship No. 144 plans were made to hold a monthly whist to raise funds for the benefit of the local Sea Scouts. Twelve of the ship's crew were in attendance as well as leaders and sponsoring committee members.

Sunday, March 26, the Daly City-Colma Lions Club Sea Scout committee met at the office of Dr. William J. Lantheaume to discuss with Fred Bregler, district inspection officer, committee responsibilities in the Sea Scouting program. Local men present were Chairman Mel Battye, Judge William J. Sweeney, Larry Comer, R. E. Bennett, and Skipper Bert Meritt.

Recruitment for the local ship is still open for boys between the ages of 15 and 18 years. Interested parents or boys may secure further information by contacting Skipper Meritt any Friday evening, 7:30 o'clock at 6266 Mission street, or by calling at Reb's Upholstery shop, 26 Hillcrest drive.

MUMPS

According to the bulletin of the San Mateo County Department of Public Health and Welfare, seven cases of mumps were reported in Daly City for the week ending March 18.

forth issues in which I believe the people of this community are vitally interested. I sincerely trust they will familiarize themselves with the true picture here before they vote on April 11. I am confident if they do, then they will approve a change in the present administration.

To my many friends who are working so actively on my behalf I am extremely grateful. I promise them that as their city councilman I will devote my time and efforts to giving Daly City the type of city government such a progressive community deserves.

ABOUT WHIST

Among the words no nice newspaperman uses is "prize"—at least, that's how the post office impressed it on us. The Record comes to you through the mails and if we wish it to keep arriving by that method (and we do!) we can't mention whist or raffle prizes. We can say your organization is holding a whist and where and when.

We are sure you will understand that we must comply with postal regulations and that we, personally, have had nothing to do with this new ruling. As always we will co-operate in publicizing the activities of local civic and fraternal groups.

High School PTA Board Will Meet

Jefferson Union High School P. T. A. executive board will meet, Thursday, April 6, at the home of Mrs. Ida Hanley, 43 Woodrow street. Mrs. Hilda Heagney and Mrs. Florence Hopman will be hostesses. Luncheon will be served at noon.

After the board meeting, at which time plans for the unit session, Thursday, April 13, will be formulated, a public whist party is to be given. Local whist fans are urged to attend the April 6 event; playing will begin at 2 p. m.
